Mary Ellen updated the Board on receiving donations for Holiday tips. Over \$1000 has been collected. Last day to contribute is Wednesday, the 17th so that the money can be handed out before Christmas. ME also said that we have 25 people signed up for Skorzie night.

There is no update on the Fundraiser tournament, however ME did mention some ideas and this will be discussed at a future Board Meeting.

ME brought up the election in February of some new Board members. Laura Fulton will be on the nominating committee and will request one non-Board member to join her.

Lynn Curtis reported that we have 19 ladies on the waitlist and that there are 11 members who have not yet played on league day. She also said that no waivers have been received.

As Cheryl and Maria were not in attendance, Mary Ellen reported on the Mid-Season Ryder Cup event which will be held on January 21, 2026. Cheryl will be meeting with Chelsea in the Cantina regarding the menu and cost of lunch. Cheryl will send out a save the date email. A registration email will go out on approximately January 2nd with a deadline of January 16th for Trish to receive checks. Wendy in the pro shop will handle the Leader Board.

Regarding pairings for the State Medallion qualifying rounds, Laura and Julie will work on it together. Royaune Jasinski and Lynn Curtis will be in the last group that. Laura said that she has not had any issues with pairings.

Lynn Wampler reported that the bank account and budget are in good shape and reported on the cancellation fees. She stated that the AGA Handicap fees have been paid to the pro shop. Lynn said that she will be checking on the cost of plaques/engraving.

Julie will have an email sent out explaining the State Medallion qualifying. Roy and Lynn will be representing Legend Trail at the State tournament on January 11, 2026. They will get their LT shirts from the pro shop. A "Good Luck" sign will be brought to the January 7th League play day. Roy and Lynn will be in the last group.

Jan reported that planning for Match Play tournament is on schedule. She also mentioned that the budget showing prize money should be \$640 (not \$480).
